Re: General Preconditions 2 Statement of Assurance

The National University Sanford College of Education understands that once it enrolls a candidate, that candidate must be able to complete the program even if the program plans to close.

Once a candidate is accepted and enrolls in an educator preparation program, National University understands that it must offer the approved program, meeting the adopted standards, until the candidate:

- i. completes the program;
- ii. withdraws from the program;
- iii. is dropped from the program based on established criteria; or
- iv. is admitted to another approved program to complete the requirements, with minimal disruption, for the authorization.

In the event the program closes, a teach out plan, which includes individual transition plans for each candidate as well as a plan for candidates and graduates to access their student records would need to be developed.

Sincerely,
